

Interdisciplinary Studies

Interdisciplinary Studies is a major that allows students to explore a wide range of subjects and disciplines, providing a unique and comprehensive education. Students can choose from a variety of interdisciplinary tracks, including:

Interdisciplinary Major

Students can choose from a variety of interdisciplinary tracks, including:

- 1. **Interdisciplinary Studies (General)**: A broad-based program that allows students to explore a wide range of subjects and disciplines.
- 2. **Interdisciplinary Studies (Healthcare)**: A program that combines the study of healthcare with other disciplines, such as business, law, and ethics.
- 3. **Interdisciplinary Studies (Environmental)**: A program that combines the study of environmental science with other disciplines, such as policy, law, and ethics.

Students can choose from a variety of interdisciplinary tracks, including:

- 1. **Interdisciplinary Studies (General)**: A broad-based program that allows students to explore a wide range of subjects and disciplines.
- 2. **Interdisciplinary Studies (Healthcare)**: A program that combines the study of healthcare with other disciplines, such as business, law, and ethics.
- 3. **Interdisciplinary Studies (Environmental)**: A program that combines the study of environmental science with other disciplines, such as policy, law, and ethics.

→ λ \in \mathbb{C} \Rightarrow $\det(A - \lambda I) = 0$ \Leftrightarrow $\det \begin{pmatrix} 1-\lambda & 0 \\ 0 & 1-\lambda \end{pmatrix} = (1-\lambda)^2 = 0$ \Rightarrow $\lambda = 1$ (double root)
Eigenvectors for $\lambda = 1$: $(A - I)v = 0 \Rightarrow \begin{pmatrix} 0 & 0 \\ 0 & 0 \end{pmatrix} \begin{pmatrix} v_1 \\ v_2 \end{pmatrix} = \begin{pmatrix} 0 \\ 0 \end{pmatrix}$ \Rightarrow v_1, v_2 arbitrary. Basis: $\left\{ \begin{pmatrix} 1 \\ 0 \end{pmatrix}, \begin{pmatrix} 0 \\ 1 \end{pmatrix} \right\}$.

INTR-2003. Preparing for International Living and Work Experience

INTR-2003. Preparing for International Living and Work Experience. This program is designed to provide students with the opportunity to gain international experience through a combination of study abroad and work experience. The program is open to students who are currently enrolled in a degree program at the University and who have completed at least one semester of college-level coursework. The program is designed to be completed over a period of two semesters. The first semester is spent in a study abroad program, and the second semester is spent working for an international organization. The program is designed to provide students with the opportunity to gain international experience through a combination of study abroad and work experience. The program is open to students who are currently enrolled in a degree program at the University and who have completed at least one semester of college-level coursework. The program is designed to be completed over a period of two semesters. The first semester is spent in a study abroad program, and the second semester is spent working for an international organization.

INTR-2016. Reflecting on International Living and Work Experience

INTR-2016. Reflecting on International Living and Work Experience. This program is designed to provide students with the opportunity to reflect on their international living and work experience. The program is open to students who are currently enrolled in a degree program at the University and who have completed at least one semester of college-level coursework. The program is designed to be completed over a period of one semester. The program is designed to provide students with the opportunity to reflect on their international living and work experience.
